1.3 ENVIRONMENTAL POLICY

Policy Statement

Zazou Emporium Ltd believes that businesses are responsible for achieving good environmental practice and operating in a sustainable manner.

The company is committed to reducing its environmental impact and continually improving environmental performance as an integral and fundamental part of the business strategy and operating methods.

Zazou Emporium Ltd Ltd will encourage its customers, suppliers and business associates to have a similar commitment to environmental issues. The company recognises that this not only is sound commercial sense for all; it is also a matter of delivering on our duty of care towards future generations.

Our policy is to:

- wholly support, comply with or exceed the requirements of current environmental legislation and codes of practice.
- reduce waste produced each year and reuse or recycle as much of it as possible.
- Educating employees on waste management and relevant environmental issues through ongoing communication.
- minimise energy usage in order to conserve supplies, and minimise our consumption of natural resources, especially where they are non-renewable.
- operate and maintain company vehicles with due regard to environmental issues as far as reasonably practical and encourage the use of alternative means of transport and car sharing as appropriate.
- apply the principles of continuous improvement in respect of air, water, noise and light pollution from our premises and reduce any impacts from our operations on the environment and local community.
- as far as possible purchase products and services that do the least damage to the environment and encourage others to do the same.
- address complaints about any breach of our Environmental Policy promptly and to the satisfaction of all concerned.
- review our Environmental Policy annually in consultation with staff, associates and customers.
